OVERVIEW

**SGH was founded in 2010 by
Andrew Jennings and Simon Hurd.**

Our company has achieved many successes and has grown in to being one of the most well-respected tour operators in the UK. We can access experiences and contacts that other companies simply can't reach.

We have previously focused on dream sports trips but more recently promoted and delivered many of our own sporting events.

Be part our CONNECT membership and you will gain friends and memories that will last a life-time.
